Re: **Mediator's Report to Court, Case No. 4:24-CV-3047**

Dear Judge Bryan and Ms. Morgan,

I mediated the above-noted case with the parties on Tuesday, March 4, 2025, and have continued to do so since then.

I have been asked to report that negotiations among Defendants Endurance Assurance Corporation and Lexon Insurance Company (collectively, Somp) and Plaintiffs W&T Offshore, Inc. and W&T Energy VI, LLC have reached an impasse.

I will continue to work with Plaintiffs and remaining Defendants, as well as the Somp parties, if possible.

Regards,

Nancy F. Atlas
